

## FREE SALE ADVICE STATEMENT

***This document is not a health certificate and makes no guarantee regarding the health, food safety or quality status of the product for which it is issued. This is issued solely for confirmation that the producer is registered in New Zealand for food manufacture for free sale in New Zealand and is not issued for use for any other purpose.***

This is to advise that Lifestream International Limited located at 24 Kawana Street, Northcote, Auckland, New Zealand, is registered under New Zealand law for the manufacture of food and/or food related products.

### **Lifestream Natural Vitamin C**

### **Lifestream Recovery Capsules**

The manufacture and distribution of the aforementioned product is subject to compliance with the *Food Act 1981* for the purposes of free sale within New Zealand. The *Food Act 1981* specifies the regulatory requirements for manufacture, transport, storage and sale of food products within New Zealand.
